Description

The styles 4101 - 4104 are hand stitched and has following advantages: - very light - elastic sole - made of high quality leather - outsole adjusts easily to the shape of foot Styles 4101 - 4104 are equipped with Shape insole. Insole Shape - remembers the shape of your foot. Shape insoles: - The depression in the rear part of the insole stabilizes the heel and prevents it from moving aside. - Enables the absorption of energy in the heel part of the shoe. - The active arch support changes favorably the pressure at the sole part of the foot. It enhances the comfort even during long hours of work.
